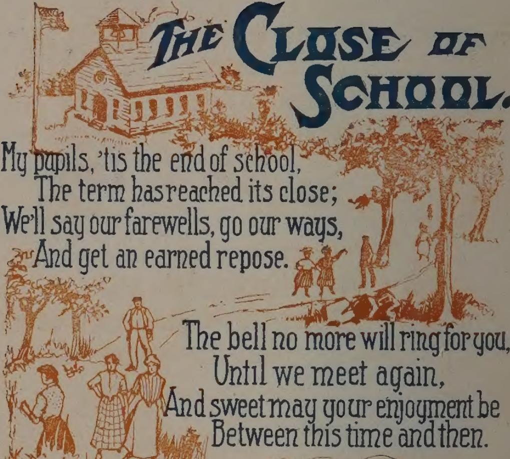
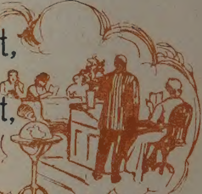
THE CLOSE OF SCHOOL.



My pupils, 'tis the end of school,
The term has reached its close;
We'll say our farewells, go our ways,
And get an earned repose.

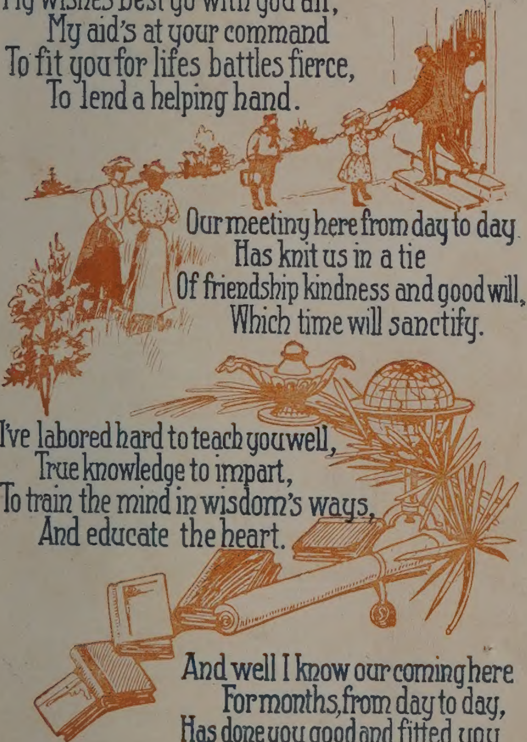
The bell no more will ring for you,
Until we meet again,
And sweet may your enjoyment be
Between this time and then.



Our separation's long or short,
There's only One can tell,
But what He does is always best,
As you all know full well.

But oft I'll think as days go by
Of all my pupils dear;
My thoughts will wander back to you
Thro' all the coming year.

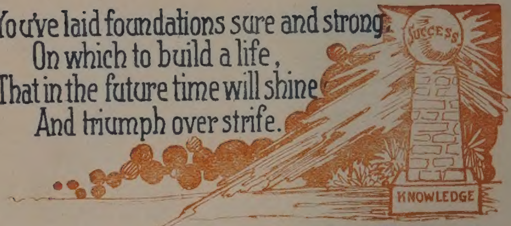
My wishes best go with you all,
My aid's at your command
To fit you for lifes battles fierce,
To lend a helping hand.



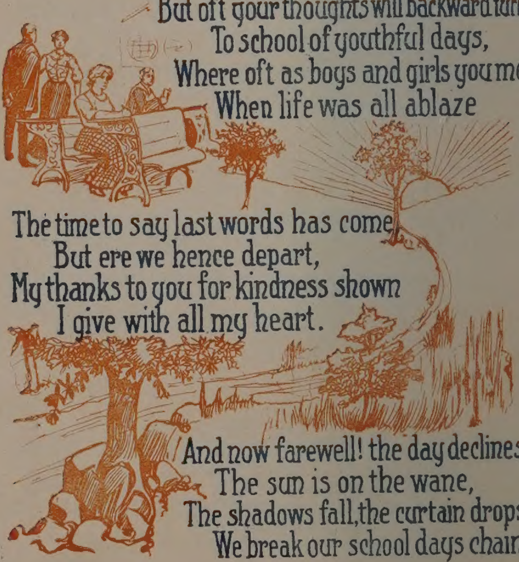
Our meeting here from day to day.
Has knit us in a tie
Of friendship kindness and good will,
Which time will sanctify.

I've labored hard to teach you well,
True knowledge to impart,
To train the mind in wisdom's ways,
And educate the heart.

And well I know our coming here
For months, from day to day,
Has done you good and fitted you
To find life's better way.



You've laid foundations sure and strong
On which to build a life,
That in the future time will shine
And triumph over strife.



But oft your thoughts will backward turn
To school of youthful days,
Where oft as boys and girls you met
When life was all ablaze

The time to say last words has come,
But ere we hence depart,
My thanks to you for kindness shown
I give with all my heart.

And now farewell! the day declines,
The sun is on the wane,
The shadows fall, the curtain drops
We break our school days chain.

The school is out and now we part
And go our sev'ral ways
To mingle in life's busy mart,
And spend vacation days.

AWARD-WINNING FARM—Laurell and Mary Ann Leitch of R. 1 LaOtto have received the Hoosier Homestead Award from the Indiana Department of Commerce. Their farm has been in the same family since 1857.

Leitch farm gets Bicentennial award

Laurell and Mary Anna Leitch of R. 1 LaOtto have received the Hoosier Homestead Award from the Indiana Department of Commerce for their Green Township, Noble County farm.

Acreage qualifying for the award was purchased by Emanuel Diffendarfer in 1857 from Henry and Kedzie Hitchcock. Prior to that the land was owned by Constant Cook who purchased it from the United States government in 1836 for $200 for 160 acres.

Emanuel's son Homer Diffendarfer bought the farm in 1900. He built the present buildings using native timber from the woods on the farm. Timber was hauled to Kendallville by horse and wagon, cut into lumber and hauled back to the farm.

The barn was built about 1897 and the house in 1908. Homer raised a large family and four are still living including Lawrence Diffendarfer of Churubusco; Maggie Owen and Eva Hawk of Albion, and Lura Claxton of LaOtto.

The farm was purchased by one of Homer's daughters and her husband, Noah and Edna Leitch, in 1930. They had four children and one of their sons, Laurell and his wife Mary Anna, bought the farm in 1962.

They have three children, Kevin, a student at Ivy Tech, and Carmen and Jeri, at home. The current owner works for International Harvester Co. and farms such crops as corn, wheat and soybeans.

The Hoosier Homestead Award recognizes farms operated in the same family at least 100 years and is a special Bicentennial honor.

GRAY CEMETERY

Readings were taken in September 1982 and updated in July 1986. Named for the owner of the original family plot, the cemetery is located in Section 27 of Green Township along a lane 1/4 mile south of County Rd 400S. The earliest recorded birthdate was that of William Gray (1778), and Rosa and Harriet Gray's deaths were recorded in November 1839, the earliest in this volume. Rows were counted from west to east, and stones were recorded from north to south. Point of beginning is at the northwest corner of the cemetery, and rows are read from north to south.

A family burial plot east of Albion on County Road 100S south of County Road 500E contains the graves of two girls who died as a result of the plague and were buried separately. They are presumed to be sisters of Henry James Herendeen and Minerva (Herendeen) Busse, children of George A. and Dilana Herendeen. Broken stones under a tree are the last traces of the burial record, and permission must be obtained from the property owners, the Gaerte family, to visit the site.

New business convenient for Green Center residents

A new business in the Green Center area, owned by the Harold Troyer family, will make shopping more convenient for Green Center residents.

The Country Market, located at 3473S and 500E on the Troyer dairy farm, sells twenty varieties of cheese, deli meats, seasonal produce, and carries other convenience store items. The store also carries some hand-crafted shirts and dolls.

The Country Market, managed by Julie Troyer, opened its doors June 15. It is located in the house on the farm. "My father-in-law loves cheese, so we decided to make that our main item, but we decided to carry other convenience items so that the people of Green Center won't have to run into Churubusco every time they run out of bread, milk, eggs and pop. We're closer and if they know we're here, maybe they'll buy their necessary items from us when they're in a pinch."

The Country Market will also cater cheese, meat and vegetable trays. In the past, the Troyers have made up many party boxes for large companies for over 500 people and have catered weddings and graduation parties and the like. During the Christmas season the catered trays are the perfect gift.

The Country Market is open 2:00 to 6:00 p.m. Tuesday through Friday and 10:00 a.m. to 5:00 p.m. on Saturdays. The phone number is 693-3419.

Green Center once housed multiple businesses, two doctors

by Martha Bushong

Following is information on Noble County hisorical markers: Site #52: Green Center - located on the southeast corner of roads 300E and 300S; Greene P. O. 1844-1845; Re Est. 1847-1851; Green Center P. O. 1870-1903.

Two postal routes served Albion at the time of its establishment. The first route, contracted for by S. G. Perry of Fort Wayne, Indiana, for the period of July 1, 1846, to June 30, 1850, was a biweekly round trip in two horse coaches from Fort Wayne by way of Eel River, Churubusco, Greene, Wolf Lake, Burr Oak, Noble, Albion, Ligonier, Good Hope, Benton, Goshen, and Middleport to Elkhart. The contract was transferred to G. W. Stewart of Wolf Lake on February 26, 1850.

Mason Merriam settled in Green Township in 1833 and opened one of the first stores in the township "where the drink which biteth like a serpent and stingeth like an adder" was sold. He was born in New York in 1808 and came to Fort Wayne, Indiana, when he was 15 years old. He became the first postmaster of Greene in 1844. This post office was discontinued in 1845.

James Gregory then became postmaster in 1847 but did not last long. David Keister became the postmaster on 26 April 1848 and held that position until the office was once again discontinued on 9 October 1851.

Silas Moore was born in Washington County, Pennsylvania, on 24 May 1828. When he was 21 years of age, he commenced working at the carpenter's trade and wagon making. In 1856 he went to Jefferson County, Ohio, where he worked at his trade eight years. He started for Illinois in April 1864, and on his way stopped in Noble County and purchased 80 acres near Green Center, where he farmed a few years. Then he erected a wagon shop where he worked his trade and also carried on undertaking. Through his influence a post office was established at Green Center in 1870 and he was appointed postmaster.

Besides the wagon shop, where Silas Moore kept on hand a good stock of ready-made coffins, there was in 1875 a blacksmith shop owned by Walter Ketcham, a paint shop, a grocery owned by O. H. Andrews, a school house and two doctors, Dr. Aldrich and Dr. Greiser.

In 1879 a new store was open in Green Center by Ed Matthews and he became the postmaster on 10 August 1885. In May 1888, the post office inspector called on the postmaster, Ed Matthews, and went through the books and stamps and found everything straight as a string -- saying he seldom finds a small office kept as neat and books in as good shape as he found them at Green Center.

An item in the Albion newspaper in May 1888 related that the center school grounds were to be chained with the old courthouse chains. That will stop driving teams on the grounds and also furnish a hitching place for the crowd of teams that daily come to the Matthew's store.

In July 1888, the post office was robbed and about $25 in money was stolen. The key to the mail sack was carried off. Entrance was obtained by removing the glass from a window. In making an exit, a panel of the door was cut out.

In 1894, it was noted that Green Township had a class of industrious farmers who were mostly out of debt. They had a post office, blacksmith and wagon shops with no saloons or drunkards. There were three good churches and schools.

In 1899 proposals were underway to construct a telephone route from Churubusco via Green Center to Albion.

On the 31st of May 1900, Ed Matthews sold his grocery store to William Shambaugh. Shambaugh was appointed the new postmaster on 3 July 1900. During his lifetime, Mr. Shambaugh was also a trustee in Green Township.

On February 13, 1902, Curt Bonar purchased the Green Center store and became the new postmaster on 15 April 1902. Curtis Bonar had married Cora Shambaugh, daughter of William and Fannie (Arthur) Shambaugh, 20 November 1897. The post office was discontinued January 31, 1903.

In July 1906, George G. Hufty and wife Carrie purchased the Green Center store from Curtis Bonar and the Shambaughs. George, who owned and operated a store in Ockley, Indiana, was looking for a new location and when he was notified that the Green Center store was up for sale by Oliver Moore who had moved to Green Center from Carroll County, Indiana, he took little time in making the decision to move here. They operated the store until March 1912 when they sold it back to the Shambaughs.

Charles Younis, a native of Syria, who came to America around 1905, traded an onion farm in Michigan for the store in 1926. Around 1931, he returned to Syria where he married Mary, an 18 year old daughter of a Syrian farmer. Less than a year later and expecting her first child, Mary followed her husband to Noble County. At age 19, she came to a strange land and knew no English.

Charlie and Mary Younis ran the store, which was attached to their home, for many years. Mary not only worked behind the counter selling everything from fresh meat to shoes and hardware but also found time to raise her eight children. The two worked from 6:30 a.m. to 10 p.m. six days a week and a half day on Sunday.

Although business was good during the great depression, people didn't have much money and many times farmers bartered their eggs for groceries. They gave credit to people who could not pay right away and sometimes they didn't get their money back.

Charlie Younis died in 1961 at the age of 73. Mary, still with seven children at home, took over the store herself. The store relied on its neighbors for most of its business over the years, but the opening of the Chain O' Lakes Park in 1960 brought in new customers. However, the closing of the entrance near the store along with the closing of the Green Center school in 1982, hurt the business considerably.

In the spring of 1984, when her bread company announced it could no longer deliver fresh bread because her volume had dwindled so low, Mary felt it was time to quit. On Sunday, September 30, 1984, the store closed its door -- but not for good.

Donna McCoy had always dreamed of owning a craft boutique and Restaurant. Debbie Gaff had dreamed of owning a candy shop. The two Green Township women put their heads together and jointly rented the building. Most of the store's furnishings had been sold at auction, but the building itself was in good repair and had just the right atmosphere for a country boutique. The result was "The Landmark," a quaint little store that offered candy, cake and candy-making supplies, handmade crafts, antiques and home-style cooking. Wooden bins that once held nails and bolts now stored cake and candy making supplies, and an old metal safe was perfect for displaying handmade magnets. The original oak floor, now brightened by braided rugs, had a history of its own and if it could talk, would have had plenty of stories to tell.

Settling on a name for the business came about in much the same way the business itself was started -- it just happened. The two had considered several names, but one night when Donna found it hard to sleep, the name came to her. The building was a landmark and had a lot of history to it. In studying the history of the Green Center store building, the women found that both their great-great grandfathers had owned the store at one time. George Hufty, Donna's ancestor, had sold dry goods, groceries, boots and shoes in the store from 1906 to 1912. He had purchased the store from Debbie's great, great grandfather, William Shambaugh.

The store has once again closed its doors but it still stands there -- a reminder of a long long history. Just an empty store and a school building in a place where once there was an active community.

Dear Ms. Bloom:

Upon receiving your inquiry about Jacob Diffenderffer, I searched the Diffenderfer family file in the Lancaster County Historical Society's genealogical division. The Diffenderffer men who were/are in our Lancaster County Chapter, Penna. Society of Sons of the Revolution, are descended from David Diffenderffer, a Revolutionary War soldier. There are no Jacobs in their direct lines. Frank Reid Diffenderffer's grandson, Harold R. Diffenderffer, is currently the member, and he is quite old. Frank was president of our historical society back around World War I. When I first became an officer of the LCHS in 1948 I knew Harold's father.

I have copied several items in the Diffenderffer file in which the name of Jacob appears. I am not a genealogist, but I believe there have been several Jacobs. You will note on one letter there is mention of Jacob's will in which he mentions only Solomon and Eliza, and deliberately omits the names of other children. There is a letter dated 1963 from a Mrs. Robert Grawcock in Indiana who is descended from one of the Jacob Diffenderffers. Our librarian at that time was an elderly lady who was greatly overwhelmed with work, and was obliged not to research an answer for Mrs. Grawcock. We do have genealogical research assistants now, but even they are overwhelmed with work. I doubt if they could supply you with much more than what I have enclosed---and I am not charging you anything!

If you can find anything of use to you in the enclosed copies, feel free to use it. The trouble with these Pa.German families is that they had such a small inventory of Christian names, and they "pop up" all over the place in each generation. My mother was an officer of the Donegal Chapter,DAR prior to her death.

Sincerely,

John W W Loose

(over)

I have no information about cousin Jacob except that he had a numerous family and "made an unfortunate marriage which alienated the two branches of Dieffendorfers".

I presume the "snooty" Miss Baker of Virginia was "high hat".

My aunt quoted the above from an ancient letter.

Dear Madam:

Reference is made to your letter in which you request the Revolutionary War record of Jacob Diffenderfer, a pensioner of New Holland, Lancaster County, Pennsylvania, also, that of Jacob Weirich, who lived in Washington County, Pennsylvania, and died about 1822.

There is no claim for pension or bounty land on file based upon service in the Revolutionary War of a Jacob Weirich, under any spelling of that surname.

The record of Jacob Deffenderfer, or Diffenderfer, is given herein as found in his claim for bounty land based upon service in the Revolutionary War. The pension to which you refer was granted by the State of Pennsylvania, not by the United States.

Jacob Deffenderfer, or Diffenderfer, enlisted in September or October, 1781, in New Holland, Lancaster County, Pennsylvania, for three months as a private in Captain Scott's company, Colonel James Ross' Pennsylvania regiment, but was discharged after service of only one month, after news of the surrender of General Cornwallis.

On account of his service, he was allowed 160 acres of bounty land on warrant #61148, under the Act of March 3, 1855. May 21, 1855, when he applied for his bounty land, Jacob Deffenderfer was a resident of New Holland, Lancaster County, Pennsylvania. He did not state the date and place of his birth, nor the names of his parents. No reference was made to wife or children.

Jacob Deffenderfer was allowed a pension by the State of

Pennsylvania, from January 1, 1855., at Harrisburg, Pennsylvania.

If you desire information in regard to the location of the land which was granted on account of service of Jacob Deffenderfer in the Revolutionary War, you should apply to the Commissioner, General Land Office, this city, and furnish that official the following: bounty land warrant #61148, 160 acres, Act of March 3, 1855.

Very truly yours,

A. D. Hiller

Mrs. Charles M. Coldren,
419 College Avenue,
Lancaster, Pennsylvania.

My dear Mrs. Coldren:

Reference is made to your letter of January 19. The records show that military bounty land warrant No. 61148-160-55 was issued April 13, 1857 to Jacob Deffenderfer, a private in the Revolutionary War.

Jacob Diffenderfer died July 14, 1855 (aged 97 years, 5 months), leaving a last will and testament, which was executed by him at New Holland, Lancaster County, Pennsylvania, March 13, 1841. A certified copy of this will is filed with the record. The witnesses to the execution of the will were Gabriel Davis, Benjamin Diffenderfer, and Roland Diller. By this will, testator bequeathed to his daughter, Eliza, the wife of John Weigand, the sum of $200, and he bequeathed to his son, Solomon Diffenderfer, the rest of his estate, personal, real, and mixed.

He appointed his son, Solomon, to be the executor of the will and he also made the following statement in the will: ". . . . I have thus given my whole estate unto my two children, Solomon and Eliza, to the exclusion of my other children, not for want of remembrance or affection for my other children and their issue, but for reasons satisfactory to myself and which cannot fail to occur to my other children and be satisfaction to them, and is such a disposition of my property as I long since thought I, in justice, ought to make and determined to make." The will was duly proven on September 11, 1855.

There is also filed with the record a certified copy of the letters of administration granted by the court in Lancaster County, Pennsylvania on May 12, 1875 to Jacob Diffenderfer and Adam Overly in connection with the estate of Solomon Diffenderfer,

1804413 "K"

who died intestate on April 27, 1875. On October 17, 1879 Adam Overly and Jacob S. Diffenderfer, as administrators of the estate of Solomon Diffenderfer, deceased, assigned the right to locate the above mentioned warrant on the public lands to E. E. Hinzer for value received.

E. E. Hinzer then assigned the right to locate the warrant to Jerome E. Stowell, who located it on the SW¼, sec. 35, T. 112 N., R. 52 W., in Brookings County, S. D., which tract was patented to him May 10, 1881.

A certified copy of the warrant, including the assignment thereof found on the back of the warrant, may be obtained for 55 cents; of the will of Jacob Diffenderfer for 85 cents; and of the letters of administration in connection with the estate of Solomon Diffenderfer for 55 cents.

Very truly yours,

W. S. Binley

Chief, Indian Lands Division.

Dear EVa,

Thinking of you ever since Rosa Gingrich came to see me. She was here to see me on the 25 of May and on the 27 which was a Wednesday morning and we talked about the Family Tree. I really enjoyed it. Then I took her down a block from me to see Mae Sherman (Claxton). She is Jennie's daughter She was 90 yrs old the 24 of May. She is doing pretty good. I didn't know a lot of my Dad's relation's. I only knew Uncle Frank and Aunt Roxie pretty good and Mae Sherman & Roy, that live 1 block from me. Of course Roy passed away not too long ago.

My Dad's Brother, Curt, lived here in South Bend and he has been gone for 12 yrs now. Dad has been gone for 21 yrs. My

Dad's name was Bert Miller. I sure do miss him. He was a good Dad to us 3 girls.

My Mother, Verda Miller, is 79 yrs. As of June 1st. she has a lady living with her now. She had been staying with us girls since Oct. of 1985. Her mind is failing her. Other wise not too bad, except when her blood doesn't flow right and then she gets real bad spells with her head.

Here is a picture of Mom and us girls. It was taken in 1985, but we still look the same.

Tell your daughter, Lucille, Hello for me and I pray she is coming along fine on the Family Tree. I know it is a lot of work for her.

I have two grand children. Amber lynn is 11. and Nathan is 9. School is out now and I have Nathan quite a bit for the summer. Amber does baby sitting and other things now.

I will close for now and I pray you are doing fine . I sure enjoyed our visit with Rosa and she is a fine person.

Love and God
bless you each day.

Ms. Lucille Green

Fort Wayne, Indiana 46815

Dear Ms. Green:

I'm enclosing a very special gift for you: The Official White House Portrait of George and Barbara Bush.

You can be proud your name was included on the select list of friends of the First Family who receive this photograph.

You earned this special recognition because President Bush is deeply grateful for your very generous political and financial support of his Administration.

He knows your contributions will help give him what he wants more than anything else: a U.S. Congress that works together with him to keep America strong and prosperous.

Like me, I know you hold President Bush in the highest personal regard and I'm sure you feel the same way about Barbara Bush. In the time she has been First Lady, most everyone I talk to expresses a deep and abiding affection for this warm and gracious woman.

So please accept this Official Portrait of the President and Mrs. Bush as a gesture from their family to yours.

Because the Portrait is suitable for framing, I want to make sure you received yours in good condition.

I hope you'll make a special point to let me know by completing and returning the enclosed Delivery Verification Receipt today. And when you do, I also urge you to send a contribution of $25, $50 or $100 to the National Republican Congressional Committee.

I'm counting on your additional support right now if we are to defeat the Democrats that are trying to destroy George Bush's ability to lead our nation.

The plain fact is, ever since he took office, the Democrats have been determined to seize control of America's national agenda, economic future, and foreign policy. If they are successful, virtually every single victory you and I have won together is in serious jeopardy.

As you read this letter, the Democrats are working overtime to grab more of your dollars and hand them out to the liberal special interests that helped them get elected.

They just don't care how much of your money they spend! At this rate, they'll drive up the federal deficit -- then spend even more to stay in office! It's a vicious cycle.

The only sure way to stop the liberal Democrats once and for all is by defeating them on Election Day, and replacing them with Republicans loyal to George Bush. And we've only got 60 days to do it!

Your contributions to the National Republican Congressional Committee today give our Party the money we'll need to win. But without your help, our Republican House candidates simply won't be able to make any headway against the Democratic majority.

Right now, we've completed a very critical phase of the campaign -- candidate recruitment. Our Field Directors scoured Congressional Districts all over the country for GOP challenger candidates with the political courage to take on incumbent Democrats.

And once we've recruited them, these challengers desperately need training, campaign strategy, expert political help and lots of money in order to defeat their opponents. It's your contribution of $25 or more that gives them the resources they need to win.

I'm looking at a 1990 Election Budget that's sitting on my desk right now. And what it says is deeply troubling. We are almost $3 million short of where we should be.

I absolutely must make up every dollar of this severe cash shortfall or almost every National Republican Congressional Committee program will face deep cutbacks.

Now it's up to you. I must urge you, in the strongest possible terms, to send your $25, $50 or $100 contribution today to the National Republican Congressional Committee. Thanks so much for all your help!

Sincerely,

Guy Vander Jagt

P.S. Be sure to fill out your Delivery Verification Receipt so I know you received your Official White House Portrait. Then return it to me with your contribution to the National Republican Congressional Committee today.

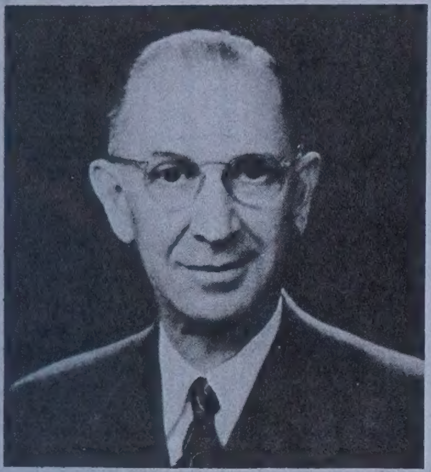
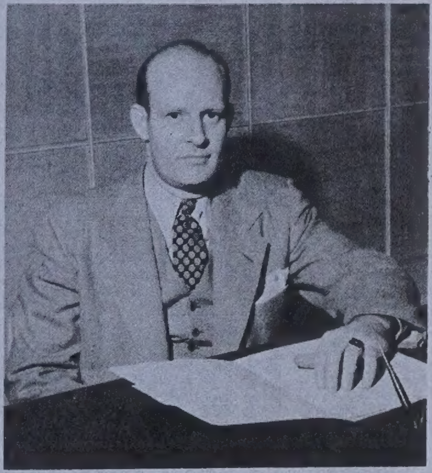
LOUIS M. LEBENSBURGER RETIRES — DUTIES OF STORE MANAGER DIVIDED



L. M. Lebensburger

Harry Matelski



Kenneth Noll

With the retirement February 1st of LOUIS LEBENSBURGER, the store lost not only an able and conscientious executive, but also one of its more colorful personalities. Mr. Lebensburger came to Wolf & Dessauer June 10, 1935 as Store Manager — a position which he very capably filled until his retirement.

He will be greatly missed by his many friends and by all those who contacted him in any of his many duties. This retirement brings to a total of 28 the list of those enjoying the security and protection afforded by W&D's generous Pension Plan.

Appliance Angles

Henrietta Offerle

VIRGIL MOTZ of Radios and EMERSON MILLER of Major Appliances will have a gay time comparing suntans when they emerge from their respective vacations in those sunny climes--VIRGIL is lolling on those Florida sands, while Emerson is sampling the ultra-violet in California.

The rapid growth of the store has made it only fitting, in the name of progress and increased efficiency, to divert into two channels the former duties of the Store Manager. These two Divisions are headed by HARRY A. MATELSKI and KENNETH NOLL. Actually, the position of Store Manager--as it was formerly known--no longer exists.

Mr. Matelski, who came to Wolf & Dessauer last year as Assistant to Mr. Latz, has been appointed Head of the Personnel Division. In this capacity, he will coordinate and direct the activities of Employment, Personnel, Training, the Health Center, Job Classification, and the Floor Managers.

Since his employment in 1937, Mr. Noll has capably filled many positions at the store--the most recent being Assistant to Mr. Lebensburger. At the present time, he is directing the activities of the Department of Maintenance and Services. Included in this division are the functions of the Warehouses and Garage.

Under the supervision of Mr. Noll are his two assistants, LOUIS KERN, who is in charge of all Store Maintenance and Housekeeping, and ROBERT TEMPLIN, who will manage the Upholstery, Carpet, Drapery Workrooms, Men's and Women's Alterations, and Delivery.

"Dedication" Is Only Word to Describe Jim Moran's '33 Exhibit in Auburn, Indiana

Bill Schneider #1209

"DEDICATION" is an overworked word. Every after-dinner speaker uses it when a long-time faithful employee or public servant is honored with a plaque, or retired with an inscribed wristwatch.

But "dedication" is the only word we can think of when we try to describe the efforts of James A. Moran, WFCS #811, in establishing his 1933-34 Chicago World's Fair exhibit on the second floor of the Auburn-Cord-Duesenberg Museum in Auburn, Indiana, as the greatest collection of that Expo's souvenirs, artifacts and memorabilia in the United States today.

Over 1,000 items of the Century of Progress World's Fair are on display within the 30 by 30 feet of this room - wall to wall and floor to ceiling. Jim probably has another thousand pieces of '33 Expo material at his apartment in nearby Ft. Wayne. At his home, every item is in view, nothing boxed or put away in closets. You can see everything he possesses, neatly laid out in every room, on every table, shelf, dresser and other furniture, plus framed pictures and paper collectibles on every inch of wall space. Why at home? 'Cause there's no more room in his Century of Progress exhibit at the Museum!

A CENTURY
OF PROGRESS
CHICAGO

Getting back to Auburn and the A-C-D Museum, Jim's exhibition room is jammed with all types of memorabilia, from buttons to posters to an autographed photo of Sally Rand. He doesn't dare add any more cases on the seemingly empty floor spaces, because on several days of the year, especially over the Labor Day weekend, the room bulges with people all day long, and not another square inch can be spared.

Jim began his life's labor of love, of exhibiting momentos of American history, when he was a comptroller in the First Federal Bank of Fort Wayne. There he displayed a collection of early Americana in the bank's lobby. In 1976, he enlarged his display to include memorabilia of that year's Bicentennial Celebration. In those years, he also set up exhibits at the Fort Wayne Public Library.

IN 1979, Jim approached the Executive Director of the Auburn-Cord-Duesenberg Museum, and suggested a special Century of Progress Exhibit Room on the upper floor, to go along with the beautiful old cars displayed on the main floor, and other exhibits of the same period in other rooms - of early radio and vintage women's fashions.

AUBURN·CORD·DUESENBERG
MUSEUM

The Museum accepted his idea, and gave him his room. Jim donated his early Americana and Bicentennial collections to the Fort Wayne Historical Society, and that of other Expos to the Children's Museum of Indianapolis. In the fall of 1979, Jim Moran moved into his own exhibition room at the Museum in Auburn, worked hard all by himself, hanging over 200 frames and placing the display cases around the floor. He diligently added to his collection and to this day, his extensive and renowned Century of Progress exhibit is a popular member of the Museum family.

Before a visitor even reaches the second floor and Jim's exhibit, he is captivated by the beautifully restored example of Art Deco architecture of the Museum building. Built in 1930 as a factory showroom and administration building for the Auburn Automobile Company, the two-level structure features

imported chandeliers, hand-painted relief ceiling borders, geometric terrazo floors and an elegant stairway. The Auburn-Cord-Duesenberg Museum opened to the public in 1974, with the showroom being restored to its original splendor.

ON this past Labor Day weekend, when the Annual A-C-D Festival was held, about 30,000 visitors filed through the Museum, most of whom also passed through Jim Moran's Century of Progress exhibit. Since opening day in '79, an average of almost 80,000 each year have flocked to the Museum, located in this Indiana town 20 miles north of Fort Wayne.

Auburn is a manufacturing town with a population of 8,000. It is strategically located on Route 69, only 30 miles south of Interstate 80, and within several hours drive from Indianapolis, Cleveland, Detroit and Chicago. World's Fair devotees can easily stop by for an hour or two, to visit this amazing exhibit of a dedicated collector.

As you approach Jim's exhibit down the corridor, you are immediately struck by the large, beautiful posters above and on each side of the entrance. And as you step inside, where do you start? Framed on the walls, from knee high, almost up to the ceiling, are pennants, tapestries, scarves, maps, postcards, posters, stamps and covers, match covers, certificates, newspaper pages and clippings, admission tickets, I. D. cards, letters and so much more. And in the display cases are guidebooks, brochures, tie-in advertising of corporations at the Fair, toys, trains, buses, medals and coins, tin candy boxes, plates, canes, buttons and more and more.

HOW did Jim Moran amass the more than a thousand items displayed in that room? Here's where "dedication" comes in. He subscribes to every catalogue from antique, philatelic, numismatic and other collectible dealers, travels at least 200 miles every weekend to toy shows, paper shows, flea markets and all other collectible shows, and constantly buys and swaps, swaps and buys. His favorite story is how he found a "coin" of gold-foil-covered chocolate, still intact, in a box of junk for just a few pennies. His favorite artifact? He can't choose between two of them, a hand-painted vase from Italy, on which is portrayed the Hall of Science Tower, and a plaque on the dashboard of a 1934 Chevrolet, which came off the assembly line of the General Motors Building at the Fair.

CHICAGO

Only a few of his outstanding articles on display are:

A colorful and rare Expo poster, 28" by 42", portraying "Romance of Transportation," with locomotive, ship, airplane, automobile and horse; A personal letter from the legendary Sally Rand, dated 1979, shortly before her passing at age of 75. Sally was one of the smash hits of the Century of Progress, packing 'em in at every performance. An accompanying photo, also autographed to Jim, hangs alongside, and both are surrounded with a montage of her news clippings. Other pictures feature ample fleeting flashes of skin during her act, beneath waving plumes of ostrich feathers.

Also, another rare poster, 20" by 30", of "Visit Ford Exposition," showing the Ford building, in blue, red, yellow and green; A lovely Hall of Science poster, 28" by 42"; An entire display case of American Legion items, tied in with the Fair - books, stamps, guide books, Convention booklets and a rare "40 and 8" Century of Progress booklet; A scarce mint complete card

of 24 elongated pennies with World Fair's inscriptions (all for 15¢!); A full page picture in the Chicago Tribune of Miss Lillian Anderson of Racine, Wisconsin, Queen of Century of Progress Inaugural Ceremonies.

ALSO, a Silvertone Art Deco cabinet radio, 17 inches high, with three knobs and C of P logo on the dial (Cost in 1933 Sears Catalogue, $17.50!); A pack of cigarettes, brand name, "A Century of Progress," intact, never opened, with revenue stamp under original cellophane wrapping; A complete set of five different cast-iron buses by Arcade Manufacturing Co. of Chicago, with Expo and Greyhound Bus logos on them. They range from 6 to 14 inches, and the smallest and largest are most rare; and a model of the Skyride and other Skyline memorabilia.

Driving on Interstate 80? Turn south on Route 69 for 30 miles to Auburn, Indiana, visit the A-C-D Museum, and catch James A. Moran's Century of Progress exhibit.

We made that turn, and are we glad we did!

FOOTNOTE: In 1933 Bill Schneider and a friend from his home in New York hitchhiked and worked their way across the country; it was a year of adventure for the teenagers. During that period they sold pennants for fifteen cents at the Chicago World's Fair. Bill is now retired and lives in Flushing, New York. He has made two visits to the Auburn Museum. (JM)

Hi Lucy,

I'm sorry, but I don't think Scott & I will be able to attend the Diffendarfer reunion.

Scott got tickets to go see the Brickyard 400 NASCAR race in Indianapolis on Saturday (8-1), and we probably won't get home until late.

I did, however, want to send you our family information. I know you already have mine, but I also printed out a little bit of Scott's family history.

Thanks for the anniversary card. We find it hard to believe that its been 4 years already; its flown by so fast.

Love,

Karyn

Prayer of Blessing

By Janet Bristow

May God's grace be upon this shawl…
warming, comforting,
enfolding and embracing.

May this mantle be a safe haven…
a sacred place of security and well-being…
sustaining and embracing in good times
as well as difficult ones.

May the one who receives this shawl
be cradled in hope, kept in joy,
graced with peace, and wrapped in love.

Blessed Be!

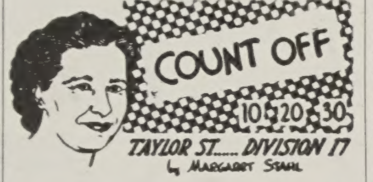
Flying HIGH

BUILDING 6-4

by Ivy Mills

Come on in, folks, and see Jo Jo, the tattooed lady! That's what Joan Hartman looked like when she came to work the other day. Her small son, Bruce, after seeing the Shrine Circus wanted to see how Mommy would look as the tattooed lady. So with a ball point pen as his needle he started tattooing. Now he thinks Mom should join the circus. . . . When Tim was checking for the check pool winner, Eleanor Harber said, "Oh, I've got an open house." When she was corrected and told that three of a kind and a pair was a full house, she says, "Open house, full house, whatsa diff., all I wanna know is, did I win?" She didn't. . . . All-aboard! Trains seem to have a fascination for Lee Raver, lately. They cause her to be late for work. The gang is trying to find out whether it's accidental or intentional. Rumor is that this particular train has a good looking conductor on it. . . . By adding a few things such as candy, cracker jack, and ice cream to the Diem grocery list, Esther Johnson and Ginny Curtis put Harry Diem in the dog house and Rosie's budget went blooey. Guess the Diem children didn't mind the extras a bit. . . . We are wondering if Bea Webster can actually see out of her classy new specks or if she wears them for looks. . . . There was a beautiful sign attached to Thelma Kouder's table, it read, "Please do not talk to slave." All work and no gab makes a very dull person, so Thelma, relax and don't work so hard. If people don't talk to you "Flying High" will have to close up shop. . . . We were so sorry to hear of the death of Bob Chroninger's grandmother. . . . Barbara Ternet was saying how tired she was after her long trip over the week end. When asked where she went she said, Monroeville. We have just gotten used to having Barbara around and now we have to say good-bye to her, she is going on days. We'll miss you, Barbara. . . . The fight has made Harold Stith richer by $67 and a lot of people a lil' bit poorer. . . . We hadn't started our column when the ruby mounted pins for employees with forty or more years of service were presented, so now we wish to congratulate Clarence Hartman, who has 45 years of service, and Frank Brindle with 42. We commend Frank on the classy chain tie clasp arrangement he had made to mount his pin on.



Doyle Sheets says he fell on the ice and sprained his hand but everyone else thinks he fell while bowling. . . . Thanks for the treat that Ruth Peek passed on her birthday, Friday the 13th. . . . Belated birthday greetings to Herman Watters. . . . Earl Fredricks is reported on a fishing trip in Canada but the girls think he is digging another basement. . . . We are sorry to hear of the sudden death of Iva Powell's nephew, Max A. McCullough, who was crushed to death beneath his car when it slipped off the bumper jack as he was repairing it. . . . Laura Gerber, Linda Wahier, and Alberta Watt entertained Ruth Peek at a birthday dinner at Ray's Acre, Friday night. They say that was the first time Ruth was speechless for 36 years. . . . Birthday greetings to Dorothy Weiler and Hilda LeCoque. Hilda is enjoying a vacation with her parents, Mr. and Mrs. Ebon Brown in Florida, but she very graciously treated us to birthday cake and home-made fudge before she left. Have a wonderful time, Hilda. . . . We would all like to know why Kenny Bainbridge and Eric Helwig were the favored few to receive valentines? . . . We welcome Peg Toy as our new inspector. Hope she enjoys working with us. . . . Marguerite Stahl's sister, Mrs. Guy Plaisted, and children, Marjorie and Gordon, arriver in Fort Wayne, Saturday night from Menlo Park, Calif. They came to attend the 50th wedding anniversary of Mr. and Mrs. Clayton Archbold. . . . Ruby Stoops accompanied her son, Harold Stoops, and family to Chicago, Saturday night. Ruby returned to Fort Wayne, Sunday morning and her son and family went on to Florida for a two weeks' vacation.

TOOL BITS
BLDG. 19-4 ... 19-5
by Don Clark

Bernice Mertz is setting the fashion in lunch kits. The new leather kit she is now carrying looks like anything but a lunch box. The high school kids would say it's really "cool". Bernice complains, though, that it cost her too much. . . . Merwood Dunlap is giving us a bad impression on his ability to handle livestock. Two weeks ago he showed up limping; caused by kicking at a pig. Last week he reported with a sore hand due to slapping one of his docile cows. We hope he plays fair and doesn't try biting any of his animals this week. . . . Dick Poehler, who economizes by changing his own oil found it a little expensive the last time. He drained the old oil and poured in the new but the dip stick registered zero. Richard forgot to replace the plug. . . . Ron Blodgett has a ding-dong car since he added that bell to its accessories. . . . Dick Hemrick is driving a new Chevy. . . . Harold Blauvelt passed out cigars. A new baby daughter was the reason. . . . We sincerely wish Carl Schone an early recovery from his illness. . . . We extend sympathy to Carl Schlenker on the death of his mother and to Jack Hurless on the loss of his father. . . . There is a milling machine in Bldg. 19-5 that has a close relationship with Cupid. Boys assigned to this mill turn out to be good prospects for matrimony. Paul Wuttke, Don Ralstin, and Thomas McCrea all succumbed to the marriage rite while working on Cupid's metal shaver. Now Bob Gottshall has been assigned to it—need we say more?

. . . Carl Einsiedel celebrated his Jack Benny birthday, his 39th, on Friday 13. Here is a picture showing Carl, Cappy and Mrs. Einsiedel—of course you know which is Carl. . . . We understand Bernie (Nashie) Byanski was on his way to the garage when the crankshaft wrapped itself neatly around the transmission. Joe Mettler tells us Bernie is willing to unload it by the pound now. . . . Jack Schemehorn is as nervous as if he was the bridegroom, but all he has to do is a simple thing like giving his daughter away. . . . Mr. and Mrs. Allison Van Wormer have a new little boy at their house. Who could ask for a nicer Valentine? . . . Paul Weaver is one of our latest victims of the parking meters—they just keep ticking along, Paul. . . . Bob Mosshammer's car selected a popular spot for motor trouble—the exit to the parking lot. Amid blaring horns his coworkers rescued him from his predicament. . . . Jack Waikel has a car that doesn't need a horn. It's a new black and red Nash.

ROUNDS OUT 30 YEARS—Thirty years of General Electric employment were celebrated Feb. 5 by Fred Nagel (second from left). Mr. Nagel was a machinist in Bldg. 26-5 in 1923. He is a boring mill operator in Bldg. 19-4 at present. Shown with him are (l-r) Walter Schultz, Gale Bowser and Otto Meyer.

The NIGHT WIND
DIVISION 17
TAYLOR STREET

Marge Radu was home several days with her son who was ill. . . . Anyone who needs sewing done should get in touch with Evelyn Turner. Evelyn has a new electric sewing machine and is taking lessons. . . . Edna Peterson's little son, who is five years old, has started to kindergarten. He received a star for being able to tie his shoes. . . . We miss Donna Smith who has been ill. . . . Doesn't Edna Butler look nice with the new permanent? . . . Lura Kogin is in Connecticut visiting relatives. . . . Verle Campbell has quit to join her husband who is in the Service. . . . Friday the 13th was Hilda Hershey's husband's birthday, also, their 26th wedding anniversary. . . . The happy little girl in the picture is Judy Chapman, daughter of Mr. and Mrs. Wayne Chapman. Judy Kay is seven months old. Is it any wonder Chappy is so proud of her? . . . Everyone was wondering what Dorothy Hart was crying about and she reported it was just a cold. . . . Stanley Nicholson is building himself an antique car. Hurry up, Stanley, we all want you to take us a ride in it.

Night Views

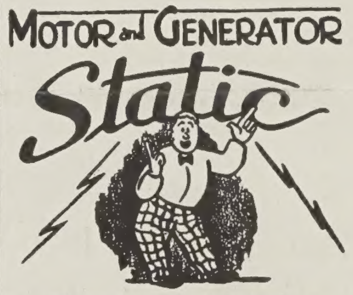
Anne Cerne was very disappointed when we forgot to mention her birthday. Better late than never, Annie, Happy Birthday. . . . Get well wishes to Susie Norman, daughter of Blanche Norman, sealer, who had an operation. . . . Bldg. 26-4 has started a mass movement across the street. We notice Freeda Greer, Marcia Gaut, Helen Wolf, Vi Rhodes, Ruby Bonar, and your truly now going in the East gate. . . . Peg Toy and Carolyn Fairchild are at Taylor St. . . . ON OUR NEW JOB WE NOTICE: Alice Justis forgetting to ring in, Freeda Green cutting out paper dolls on her first night, Ruby Bonar jumping when her boss "creeps" up behind her, Yvonne Cecie, Edna Purkhiser, and Elsa Southern in one little group, and Charlene Smith on days. . . . WE'LL REMEMBER: Blanche Norman's birthdays, Annie Cerne's hankies, Vera Everett's mint leaves, Edith Johnson's cokes, Gladys Newcomer's candy (which I forgot to return), and Mike Leis' quiet ways.



Thought for the Week: Love is a dream, but marriage is the alarm clock that wakes you up!

CLARA SEZ: Here's wishing a speedy recovery for Joan King from her recent operation. We all miss you, kiddo. Was sure nice of Virgil Carmean to take the time to collect money from the fellows on the floor for flowers for Joan. She really appreciated it. . . . Who is Lucile Schelper's secret admirer that sent her a box of Valentine candy? Got any idea, Lucy? . . . MA, WHERE'S THE CHICKEN? Al Phillips was looking forward one noon to enjoying a luscious lunch, because he knew mama had put in some delicious fried chicken. Lunch time and, you guessed it, no chicken; just some bread and butter. About this time Albert got on the phone and wanted to know how come. Mrs. Phillips said she was very sorry, but she forgot to put in the chicken. So Al went back to eating his bread and butter. (Ah heck). . . . WHAT A MAN: Jim Grogg took six women to a sauerkraut supper last week. Of course, one was his wife. (Natch.) . . . SINGLE THOUGHT: That old expression, "Two minds with but a single thought," certainly applies to the Jack Hivelys. Jack and the Mrs. decided at the same time that the family larder needed replenishment. So, the other day they both came home with a week's supply of vegetables, meat, and groceries. Looks like the two of them will have to do a super job of eating to use the food.

Mr. Welch worked at G-E from 1943 to 1949 as a shipping clerk in Bldg. 6-2.

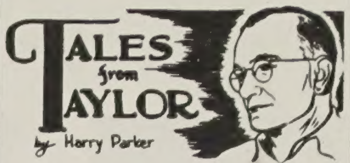
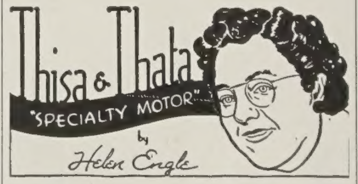
Mr. Groeschel was a native of Peru. He came to Fort Wayne 13 years ago and was employed in Bldg. 6-4 as an inspector at the time of his death. He first joined G-E in 1941, and had worked in Bldg. 4-5, Bldg. 19-2, the Winter St. plant and the Taylor St. plant during his employment here.

Survivors include the widow, Eleanor; three daughters, Patricia, Lois Rose, and Kay Vern, all at home.



EXTRA SPECIAL NEWS FLASH: The long awaited event has transpired, Virgil Foland is now a grandfather and he is very happy about it all. A seven-pound baby girl arrived at the home of his son, and from the latest reports mother and daughter are doing very well. As you know Virgil has spent long anxious months awaiting the arrival of this baby, and spent many hours with the knitting needles producing many of the items an infant requires. Of course, some of them are rather large but Virgil said that the child will grow into them. He has even gone so far as to get his moving picture equipment ship-shape so as to be able to photograph the baby from the very outset. His plans also call for some very excellent color shots this coming summer. Actually, the way Virgil has been carrying on over this blessed event one would think that it happened at his home. Oh well, there is always a first time for everything and being a grandfather is one of them. . . . Richard (Butch) Johnson is now busily engaged in grinding up old bulls, horses, and goats, then peddling the resultant product to his coworkers as hamburger. Reports from those that have purchased this meat say that it tastes real good but that it nearly drives one out of the house while it is cooking. He does not come out and say that it is hamburger but calls it trianimalburger. We also notice that he does not eat any of it himself. . . . Last Tuesday afternoon Clarence Stove was observed carrying a nice looking beagle hound out of the plant. This little animal had wandered into the plant, evidently looking for a nice place in which to curl up and go to sleep, but Clarence, thinking that he might get hurt, escorted it to the outside. Several of the boys who witnessed this action said that it was awful hard to distinguish between the dog and Clarence.



Lot of excitement at the Henry Shirley home last Tuesday night. Hank announces the birth of a 56-pound baby pony! . . . Opal Brayton and her husband spent the week end at Houghton Lake visiting parents. What, no fishing? . . . The comment of several bosses is that Elex should have a "Bosses Night" once a week! . . . Joan Grish is back at work in the office after a sojourn in California with her husband, who is in the Service. She has a new baby daughter, too. . . . Almost everyone is back at work after the flu bug made its round. . . . Peggy Bahde wore her felt house slippers inside her boots to work and was going to carry her shoes. Wouldn't you know it? She left the shoes at home and had to wear the felt slippers all day! . . . Art McNamara couldn't see the fights last Wednesday on TV because there was too much snow. He even had to wear his overcoat. . . . Bob Spitler was trying to get a party on phone number 2211 and after getting the busy signal all morning he discovered it was his own number he was dialing. . . . Now we've heard everything on how to account for a knot on the head. Bob Rodgers says his boy kicked a 2 by 4 off of the top of the garage and it caused a bump to raise! . . . Anyone wanting to borrow a tractor to do their spring plowing should contact Joe Snyder. He will even furnish the gas! . . . Sorry to hear that Vicky Hyre is ill. She is in the Lutheran Hospital. Hurry and get well, Vicky. . . . George Crickmore's mustache finally gave up the ghost. He must have used too much Vigoro. He says his young daughter wouldn't have anything to do with him and his dog even took a bite out of his leg! . . . Avery Spade can't decide which to give up—cigars, pipe, or cigarettes. The doctor told him to give up all but one. So, one day he gives up cigars, the next day the pipe, and the next day cigarettes. If you happen to receive the cigars or cigarettes on the day he gives them up and you don't say "thank you" you won't receive anymore from him. . . . We hope that Bob Blocher's father gets well soon. He is in the Clinic Hospital at Bluffton. . . . Sorry to hear that Veva Healy's grandchildren and daughter-in-law have scarlet fever. . . . Christ and Hazel Stauffer's 25th wedding anniversary gift to themselves is a new Studebaker convertible. . . . Joe Dibert does the washing trying to keep up with the Jones'. He said he didn't want to be seen hanging up clothes so he got a dryer. . . . Lloyd Jacobs seems to be well supplied with S. B.'s (stumble bums). They stumble in anywhere from 7 to 8 in the morning.

by JACK SWEET

We want to welcome Lucy Keller, Donna Meyers, Louis Liebenguth, Robert Shaffer, Jan Miller, Russell Kabisch, Michael Lis, Clay Smith, Thelma Eitel, and Delpha Gilliam to our floor. We have received these people within the past two weeks. . . . Virgil Buchanan has a new watch now and between watching the clock and his watch to make sure they are synchronized he doesn't have much time for anything else. . . . Ray Lovelass is the proud father of a bouncing baby boy. I suppose they will call him Cupid since he was born on St. Valentine's day. . . . Glad to see Irish back in the winding section. . . . When Ruth Freeland went to her first hockey game it took quite awhile before she realized she was rootin' for the wrong team. . . . It seems that Ruth Freeland is always mixed up. Ruth and Theoda were so engrossed in their conversation on the bus the other day that Ruth missed her stop. . . . Frank Jordan and Orville Shallenbarger have left us to work in another Fort Wayne factory. . . . Bob Heyn is going to visit his Uncle Sam March 3. Bob says he will probably stay with his uncle for a couple of years. . . . Lorraine Papp made a pencil shade drawing of Bob Heyn. Bob thanked Lorraine with a three-layer cake that he made himself. It was good, too. . . . Ronnie Davis has a new television set now. . . . Arnold Wolf can be proud of his son who won a medal in a recent music contest. . . . Alton Cotner finally made it to her first Elex supper, tails and all.

Inquiring Reporter:

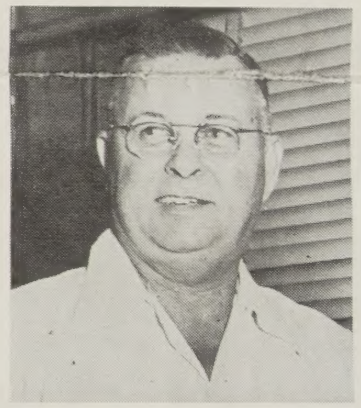
ARE YOU IN FAVOR OF A ONE-MAN STATE HIGHWAY COMMISSION AS RECOMMENDED BY GOV. CRAIG?

BUD NEUMAN
Bldg. 6-2

"I think it would be all right depending upon the person's ability, but I believe that two heads are better than one. Therefore, an advisory board should be available to be consulted on problems arising in the Commission."

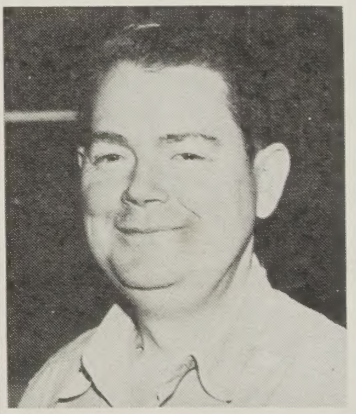
MARGARET F. SIMMONS
Bldg. 8-1

"I am in favor of a one-man State Highway Commission. I think Gov. Craig is right in wanting one man, for it would save the state a lot of expense."



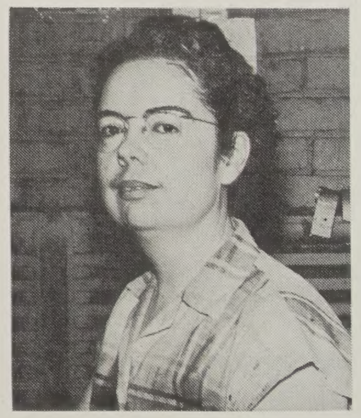
ROY F. HOSLER
Bldg. 12-1

"I am not in favor of a one-man State Highway Commission. There is too much chance of favoring the one county in which he lives. I am in favor of not less than three men on the Commission."



CARL P. SNYDER
Taylor St.

"I am in favor of a one-man State Highway Commission. As I see the situation, it would reduce the amount of employees, and the machinery used could take care of more than one county. Also the political action would not be as strong as it is now."



ADA I. PHILLIPS
Bldg. 19-2

"Ordinarily, I am not in favor of placing too much power in one man's hands, but if this plan would tend to reduce taxes, I am in favor of trying it."
